Target Electric Install Date _____

Return Instructions

Send your completed application and site plan to:

Nashwauk Public Utilities or email: agoss@cityofnashwauk.com
301 Central Avenue
Nashwauk, MN 55769

There is a minimum electric service connection fee of \$700.00, which must be paid prior to service being installed. Nashwauk Public Utilities contracts with local contractors to complete the electrical connection, if their fee for the service connection is more than \$700.00, the NPU will invoice the customer for those additional costs.

Meter base installation is the customer's responsibility.

The customer must provide the Utility with a site plan.

Agreement

Signature _____ Date _____
Printed Name _____

Certified Survey Map or Site Plan

Customers must provide a certified survey map or a detailed site plan noting the following:

- Where the new structure will be located
- Location of existing structures
- Distance (feet) structure will be located from roadway
- Location of proposed/existing driveway
- Location of water lines, sewer lines, or other potential obstructions, if known
- Location of electric panel (service entrance)
- Neighboring addresses and/or nearest intersecting road
